Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (DO/CG)

IV.C.83

RACE TRACK CHAPLAINCY OF TEXAS, INC

will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

~~You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.~~

If you are required to file a return you must file it by the 15th day of the fifth month after the end of your annual accounting period. We charge a penalty of \$10 a day when a return is filed late, unless there is reasonable

RACE TRACK CHAPLAINCY OF TEXAS, INC

cause for the delay. However, the maximum penalty we charge cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. We may also charge this penalty if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

This determination is based on evidence that your funds are dedicated to the purposes listed in section 501(c)(3) of the Code. To assure your continued exemption, you should keep records to show that funds are spent only for those purposes. If you distribute funds to other organizations, your records should show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence that the funds will remain dedicated to the required purposes and that the recipient will use the funds for those purposes.

Since you have not indicated that you intend to finance your activities with the proceeds of tax exempt bond financing, in this letter, we have not determined the effect of such financing on your tax exempt status.

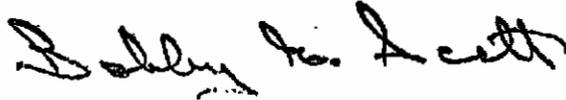

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

RACE TRACK CHAPLAINCY OF TEXAS, INC

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

GPISD Education Foundation

Background

The establishment of the Grand Prairie Education Foundation is the result of the realization of the need for much greater community involvement in our education process. It began in the Grand Prairie Chamber of Commerce Education Committee in the fall of 1995. While the concept began as Adopt-A-School, further research and discussions showed that this concept was too limited. The ability to raise funds, apply for grants, establish an endowment fund and partner with a multitude of outside organizations would best be accomplished with an education foundation.

Grand Prairie's Education Foundation is one of many education foundations throughout the United States. While each education foundation has the same overall goal - to provide additional resources for its schools -- each foundation's objectives are tailored to meet the philanthropic desires and ability of their community.

Mission Statement

The Mission of the GPISD Education Foundation is to promote educational excellence and to inspire community ownership, commitment, confidence, and pride in GPISD.

Goals

- To secure resources from the private sector and distribute them to support programs which provide enriched educational experiences which are not possible through public funding and which prepare the students to become skilled, adaptable, knowledgeable, productive adults;
- To serve as a catalyst for increased community involvement in our schools;
- To ensure the long-term viability and success of the GPISD Education Foundation.

Programs supported by the GPISD Education Foundation

Current:

- Teacher grant program: "GPISD Education Foundation Excellence in Education"
Total grant monies awarded in 2009: \$33,497; Awarded in 2010: \$51,622.66
- Promoting and supporting the science education program, at every campus
- Student of Character Scholarships (two at \$1,000 each), Baylor Medical Center at Irving Scholarships (two at \$5,000 each)
- Selecting and awarding scholarship winners for the following memorial scholarships:
 - Dan Ratliff
 - George and Melinda Stubbs
 - Roger and Thelma Phillips Dickey
- Trinity River Audubon Center science field experience for every GPISD 4th & 5th grade student

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Information for Exempt Organizations Under Section 501(c)(3) for some helpful information about your responsibilities as an exempt organization.

If you distribute funds to other organizations, your records must show whether they are exempt under section 501(c)(3). In cases where the recipient organization is not exempt under section 501(c)(3), you must have evidence the funds will be used for section 501(c)(3) purposes.

RTCA Vision/Mission Statement

The Race Track Chaplaincy of America, Inc. is an evangelical, interdenominational, Christian organization whose purpose is to minister to those persons involved in all aspects of the horse racing industry. A Board of Directors who serves voluntarily, without compensation guides this non-profit, tax-exempt Corporation. The Ministry of the Race Track Chaplaincy of America, Inc. is carried out by Chaplains who are employed, supported, and supervised by Local Councils that take responsibility for the work on a particular track or group of tracks. In order to provide the horse racing industry with the best possible pastoral care, the RTCA, Inc. seeks to employ as Chaplains only those ministers who meet the highest standards of spiritual maturity, personal integrity, commitment, concern, education, training, and abilities. The Local Councils are comprised of both clergy and laypersons from the surrounding community and from the racing industry. These individuals serve voluntarily, out of a sense of commitment to the vision of the Race Track Chaplaincy of America, Inc.

The primary focus of the Race Track Chaplaincy of America, Inc. is to serve all those who are involved in the horse racing industry; this includes those found in the stable area, on the track, in the front offices, in the grandstands or clubhouse, at a training facility, or on a breeding farm, including horse owners and racing fans.

The Ministry of the Race Track Chaplaincy of America, Inc. is based upon the belief that it is God's desire that every person, including those in the horse racing industry, should have a personal relationship with Jesus Christ, resulting in a life that is full and abundant in its nature and eternal in its scope. Built upon that belief, the work of the Race Track Chaplaincy of America, Inc. is holistic in its approach; ministering not only to the spiritual needs of those in the horse racing industry, but to their physical, emotional and social needs as well.

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Pending issuance of regulations under section 509 of the Code, we are unable to determine whether you are a private foundation as defined in that section. After the regulations are issued, we will evaluate your application and notify you of your status under section 509. If we determine you are a private foundation, your governing instrument will have to meet the requirements of Code section 508(e) and the regulations under that section. Failure to comply with these requirements will result in retroactive revocation of this determination.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA). However, you are not automatically exempt from Federal excise taxes, and in this letter we are not determining whether you are exempt from any such taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt status. Also, you must inform us of all changes in your name or address.

Please refer to the instructions accompanying Form 990, Return of Organization Exempt From Income Tax, to determine whether you are required to file that return. If required, you must file by the 15th day of the fifth month

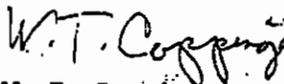

after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-1. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

W. T. Coppinger

Gentlemen:

We have evaluated your notification concerning foundation status and, based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because you are an organization described in section 170(h)(1)(i)(vi).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

You must keep us informed of any changes in your sources of support and method of operation so that we may consider the effect on your status.

Please keep this determination letter in your permanent records.

Dear Mr. Bingaman:

Our records show Race Track Chaplaincy of America, Inc., Taxpayer No. _____, was exempted from the state franchise tax as a 501(c)(3) organization effective May 5, 1981. The corporation is not required to file or pay franchise tax reports as long as the exemption is in effect. In the event we have reason to believe it no longer qualifies for exemption, we will notify its registered agent the exempt status is under review.

This corporation has also been exempted from the Texas limited sales, excise, and use tax as a 501(c)(3) organization effective August 29, 1977. It may issue an exemption certificate instead of paying the sales tax on taxable items that relate to the purpose of the exempt organization and are not used for the personal benefit of an individual or private party. The certificate does not require a number to be valid and may be reproduced locally.

RTCA Vision/Mission Statement

The Race Track Chaplaincy of America, Inc. is an evangelical, interdenominational, Christian organization whose purpose is to minister to those persons involved in all aspects of the horse racing industry. A Board of Directors who serves voluntarily, without compensation guides this non-profit, tax-exempt Corporation. The Ministry of the Race Track Chaplaincy of America, Inc. is carried out by Chaplains who are employed, supported, and supervised by Local Councils that take responsibility for the work on a particular track or group of tracks. In order to provide the horse racing industry with the best possible pastoral care, the RTCA, Inc. seeks to employ as Chaplains only those ministers who meet the highest standards of spiritual maturity, personal integrity, commitment, concern, education, training, and abilities. The Local Councils are comprised of both clergy and laypersons from the surrounding community and from the racing industry. These individuals serve voluntarily, out of a sense of commitment to the vision of the Race Track Chaplaincy of America, Inc.

The primary focus of the Race Track Chaplaincy of America, Inc. is to serve all those who are involved in the horse racing industry; this includes those found in the stable area, on the track, in the front offices, in the grandstands or clubhouse, at a training facility, or on a breeding farm, including horse owners and racing fans.

The Ministry of the Race Track Chaplaincy of America, Inc. is based upon the belief that it is God's desire that every person, including those in the horse racing industry, should have a personal relationship with Jesus Christ, resulting in a life that is full and abundant in its nature and eternal in its scope. Built upon that belief, the work of the Race Track Chaplaincy of America, Inc. is holistic in its approach; ministering not only to the spiritual needs of those in the horse racing industry, but to their physical, emotional and social needs as well.

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Pending issuance of regulations under section 509 of the Code, we are unable to determine whether you are a private foundation as defined in that section. After the regulations are issued, we will evaluate your application and notify you of your status under section 509. If we determine you are a private foundation, your governing instrument will have to meet the requirements of Code section 508(e) and the regulations under that section. Failure to comply with these requirements will result in retroactive revocation of this determination.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA). However, you are not automatically exempt from Federal excise taxes, and in this letter we are not determining whether you are exempt from any such taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt status. Also, you must inform us of all changes in your name or address.

Please refer to the instructions accompanying Form 990, Return of Organization Exempt From Income Tax, to determine whether you are required to file that return. If required, you must file by the 15th day of the fifth month

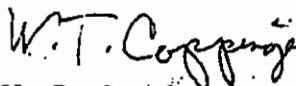

after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-B. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

W. T. Coppinger

Gentlemen:

We have evaluated your notification concerning foundation status and, based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because you are an organization described in section 170(b)(1)(C)(vi).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

You must keep us informed of any changes in your sources of support and method of operation so that we may consider the effect on your status.

Please keep this determination letter in your permanent records.

Dear Mr. Bingaman:

Our records show Race Track Chaplaincy of America, Inc., Taxpayer No. _____, was exempted from the state franchise tax as a 501(c)(3) organization effective May 5, 1981. The corporation is not required to file or pay franchise tax reports as long as the exemption is in effect. This corporation has also been exempted from the Texas limited sales, excise, and use tax as a 501(c)(3) organization effective August 29, 1977. It may issue an exemption certificate instead of paying the sales tax on taxable items that relate to the purpose of the exempt organization and are not used for the personal benefit of an individual or private party. Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Pending issuance of regulations under section 509 of the Code, we are unable to determine whether you are a private foundation as defined in that section. After the regulations are issued, we will evaluate your application and notify you of your status under section 509. If we determine you are a private foundation, your governing instrument will have to meet the requirements of Code section 508(e) and the regulations under that section. Failure to comply with these requirements will result in retroactive revocation of this determination.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA). However, you are not automatically exempt from Federal excise taxes, and in this letter we are not determining whether you are exempt from any such taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt status. Also, you must inform us of all changes in your name or address.

Please refer to the instructions accompanying Form 990, Return of Organization Exempt From Income Tax, to determine whether you are required to file that return. If required, you must file by the 15th day of the fifth month

after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

W. T. Coppinger
District Director

RE: Allocation of Purse Revenues Generated from Simulcasting (2010 thru 2012), & Distribution of Funds Accrued in Escrow Purse Account (2011 and 2012)

Staff has reviewed the documents provided on behalf of the active Texas Horse Racetracks seeking to extend agreements that govern the allocation of horse purse funds outlined within Commission Rules §321.505 and §321.509 for a two year period beginning January 1, 2011 and ending December 31, 2012. Additionally, staff has reviewed the current agreements that were negotiated between the racetracks, the representative breed registries, and the horsemen's organization. These agreements were approved by the Commission in November 2007 for a three year period beginning January 1, 2008 and ending December 31, 2010.

Allocation of Purse Revenues Generated from Simulcasting (§321.505):

In reviewing the agreements that address allocation of purse revenues generated from simulcasting, staff found that the prior agreement and the extension agreement are identical except for one area. The extension agreement has an accompanying addendum that further allocates the minor breed purse accounts between the Arabian and Paint Horses. Additionally, the addendum also has a separate provision that addresses the 2010 minor breed purse accounts for each racetrack in two distinct ways. First, this provision requires the accrued balances in each of the minor breed purse accounts, as of May 25, 2010, to be allocated between the Arabian and Paint Horses by the same percentages agreed to allocate money earned in the years 2011 and 2012 except for the Manor Downs minor breed purse account accrued balance. The Manor Downs minor breed purse account accrued balance, as of May 25, 2010, is to be allocated 50% to Arabians and 50% to Paint Horses. Second, this provision requires all future allocations to minor breed purse accounts during 2010 to be further allocated to the Arabian and Paint Horse purse accounts by the percentages agreed to for the years 2011 and 2012.

With this new addendum, 100% of purse revenues generated from simulcasting are now allocated to a specific breed of horse. Thereby, providing a more accurate means to account for and report on purse account activity/status. Staff has created the following tables that reflect the agreed to allocations in both the extension agreement and the addendum to the extension agreement:

Allocation of Purse Revenue Generated from Simulcasting (2011-2012)					
By Breed of Horse	GCF	MD	LSP	RP	SHRP
Minor Breed Purse Acct.	1.50%	1.50%	1.25%	2.00%	2.00%
Quarter Horse Purse Acct.	68.95%	72.89%	16.79%	21.56%	21.56%
Thoroughbred Purse Acct.	29.55%	25.61%	81.96%	76.44%	76.44%

Allocation of Minor Breed Purse Account (2011-2012)					
By Breed of Horse	GCF	MD	LSP	RP	SHRP
Arabian Purse Acct.	0.00%	0.00%	65.00%	75.00%	70.00%
Paint Horse Purse Acct.	100.0%	100.0%	35.00%	25.00%	30.00%

Distribution of Funds Accrued in Escrow Purse Account (\$321.509):

In reviewing the agreements that address distribution of funds accrued in the escrow purse account from cross-species wagering, staff found that the prior agreement and the extension agreement are identical. Staff has created the following table that reflects the agreed upon distribution of funds accrued in the escrow purse account to each horse racetrack and the allocations of these purse funds between the various breeds of horses participating in racing at each racetrack:

Distribution of Funds Accrued in Escrow Purse Account (2011-2012)					
Distribution %	GCF	MD	LSP	RP	SHRP
	1.60%	7.80%	24.65%	24.65%	41.30%
Arabian Purse Acct.	3.50%	3.50%	3.50%	3.50%	3.50%
Paint Horse Purse Acct.	3.50%	3.50%	3.50%	3.50%	3.50%
Quarter Horse Purse Acct.	72.075%	72.075%	72.075%	72.075%	72.075%
Thoroughbred Purse Acct.	20.925%	20.925%	20.925%	20.925%	20.925%

Summary:

The associations have submitted the agreements outlined above in accordance with Commission Rules 321.505(a) and 321.509(a). These agreements:

- allocate purse money generated from simulcasting to the various breeds of horses for calendar years 2011 and 2012;
- further allocates the minor breed purse money generated from simulcasting to the breeds of horses that compose the minor breeds for the period of May 25, 2010 thru December 31, 2010, and for calendar years 2011 and 2012; and
- distributes the escrow purse account funds to each horse racetrack and then allocates these purse funds between the various breeds of horses participating in racing at each racetrack .

Commission Rules 321.505(a)(6) and 321.509(e) stipulates that an association, in lieu of the processes outlined within these rules, may submit a signed agreement between the association and the organizations referenced within these rules to the Commission to consider for approval. These rules further state, for the Commission to approve the agreements, the agreements must delineate the percentages by which the association will divide the purse revenue generated from simulcasting among the various breeds of horses, must delineate the percentages by which the escrow purse account will be distributed to the racetracks, and must be signed by the association and all organizations referenced within the relevant rules. Staff's review indicates that the agreements submitted by the associations are in compliance with Commission Rules 321.505(a)(6) and 321.509(e).

Since the last Texas Racing Commission meeting, progress has been made in a few areas:

- The partners involved held a board meeting and among other items, indicated a desire to have the property involved annexed by the City of Creedmoor. As has been previously reported, the City Administrator, Richard Crandal, has stated that a simple request letter outlining the legal description, TravisCAD number(s) and total acreage to be annexed is needed for a public hearing to be set.
- The application for a change in ownership and location has been submitted to the Commission.
- The traffic study has been completed and delivered to the Commission.
- All tax returns and finger prints cards for the owners have been compiled and submitted to the Commission.
- A check in the amount of \$85,000 has been submitted to cover the Commission's application fees.

Further information will provided be at the next Commission meeting on September 14.

Re: Progress Report

Dear Charla Ann King:

In my last report, you were notified that Saddle Brook Park has contracted to sell its interest to an affiliate of Global Gaming Solutions, LLC (GGS), GGS is preparing a complete application to accompany the request for transfer of ownership. The Innovation Group has finished their study on the five year forecast for the Amarillo market and that report will be made available in the application for the transfer of the license.

As to the 2011 race dates, we have met with various organizations and horsemen and have proposed plans that would be good for the industry and would be achieved with their cooperation and Lone Star Park.

Respectfully Submitted,

Drew Alexander

Re: Progress Report – Tesoros Race Park

Dear Ms. King:

As requested by the Commission, please accept this written progress report with respect to Tesoros Race Park in preparation for the September 14, 2010, Commission meeting.

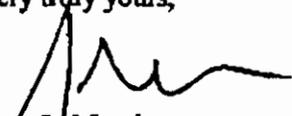

As indicated in prior progress reports, the schedule for beginning construction of Tesoros Race Park is dependent upon the City of McAllen extending utility services to the Site. It is our understanding that the City's efforts in this regard are ongoing.

In the meantime, Valle de los Tesoros, Ltd. ("VDLT") has been actively exploring options to provide additional race dates and purses to assist the horse racing industry in Texas. By correspondence dated today, VDLT has sought the comments from the Commission on a proposed solution. As indicated in that correspondence, Gillespie County Fair and Festivals would agree to request the 2011 live race dates previously requested by VDLT for their Gillespie County track. In order to generate the additional purse money needed to support these additional race dates at the Gillespie County track, VDLT would begin simulcast operations at a temporary location in Hidalgo County.

VDLT is looking forward to discussing this proposal with the Staff, and ultimately with the Commissioners.

In addition to this written submittal, it is my intention to be present at that meeting to answer any questions the Commissioners may have.

We will keep you apprised as progress continues.

Very truly yours,

Greg DeMantia

Re: Progress Report – Laredo Downs

Dear Ms. King:

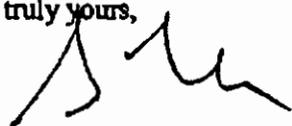

As requested by the Commission, please accept this written progress report for Laredo Downs in preparation for the September 14, 2010 Commission meeting.

As the Commission is aware, LRP Group, Ltd. is currently engaged in exploring opportunities to relocate the proposed racetrack from Laredo, Texas, to the Dallas/Fort Worth area. That process involves a number of variables that take time to address, but the necessary negotiations are moving forward.

~~In addition to this written submittal, it is my intention to be present at that meeting to answer any questions the Commissioners may have.~~

We will keep you apprised as progress continues.

Dear Ms. King:

We are in receipt of the Commission's request seeking a written progress report with respect to Laredo Race Park. We understand that this progress report will be included in the agenda packet for discussion during the upcoming Texas Racing Commission meeting on September 14, 2010. We look forward to answering any questions that the Commissioners may have at that time.

Since our last written update, we have:

- Executed a one year extension for our current Mines Road location.
- Participated in various industry meetings about race dates for Laredo Race Park and the other Texas racetracks including the August 13, 2010 and September 1, 2010 Texas Racing Commission meetings.
- We honored the request of Webb County Judge Valdez that we wait to schedule a meeting until after the County's budget process was completed. At the time of this letter, we are waiting on an update from our representative in Laredo on a meeting time. I hope to have an update on the date of that meeting by the September 14th Texas Racing Commission meeting.
