TOTALISATOR TECHNICAL STANDARDS

Sections – Expanded Index

SECTION 1. FACILITIES AND EQUIPMENT

Sec. 1.1 Purpose, Structure & Definitions

- Baseline Envelope
- Baseline Hardware
- Baseline Network
- Baseline Software
- Change Control Process
- Demilitarized Zone (DMZ)
- Direct Control Device
- Independent Testing Laboratory (ITL)
- Intelligent Terminal
- Internal Control Systems (ICS)
- Local Area Network (LAN)
- Network Security Document
- Purpose, Structure & Definitions
- Remote Device
- System Baseline Document
- Telecommunications Services
- Totalisator Vendor
- Wagering Monitoring System (WMS)
- Wide Area Network (WAN)

Sec. 1.2 General Systems Requirements

- Cash/Sell System
- Central Processing Location
- Computer Monitoring and Network Management Systems
- General Requirements-System
- General System Requirements
- Hardware Requirements
- Network Requirements
- Network Security Document
- Physical Requirements
- Security Requirements
- Software Requirements
- System Requirements
- Totalisator Room Security
- Totalisator Rooms
- Tote Room Access
- Verification Tools

Sec. 1.3 System Baseline

- Hardware Baseline
- Inspection Tools
- Network Baseline

Sec. 1.3 System Baseline, cont.

- Network Security Document
- Software Baseline
- System Baseline
- System Baseline Auditing Requirements
- System Baseline Document

Sec. 1.4 Peripheral Devices/Systems

- Access Control Security
- Back Up Device
- Cash/Sell Terminal/Kiosk
- Control Workstations/Printers
- Data Storage Devices
- Direct Control Devices
- Dumb Devices
- Functionality and Recoverability of a Device
- General Requirements-Peripheral Devices
- Hardware Security
- Log Printer
- Master Control Terminal
- Multi-purpose Displays (Tote Board)
- Mutuel ticket information
- Paper Jams/Paper Out
- Peripheral Devices
- Post the Order of Finish
- Remote Devices
- Scope of Peripheral Devices & Telecommunications Services
- Security for Peripheral Devices
- Smart devices
- Software Security
- Stop Wagering Devices
- Telecommunications Services
- Ticketless Electronic Wagering (E-wagering)
- Tote Board
- Unique Transaction Serial Number
- User Terminals
- Voucher Information
- Wagering Information Screen Displays

Sec. 1.5 Change Control Process

- Amber-Risk Classification System
- Baselines and Interfaces Classification Guide-Diagram
- Change Control Process

Sec. 1.5 Change Control Process, cont.

Configuration Changes
Data Changes
Emergency Changes to System
Green-Risk Classification System
Independent Testing Laboratory (ITL)
Random Sampling
Red-Risk Classification System
Risk Classification System
Risk-based Change Control Process
System Changes-Amber
System Changes-Green
System Changes-Red
Wagering Baseline Spreadsheet

Sec. 1.6 Certification & Submission

Approval of a Totalisator Vendor's Wagering System
Certification & Submission
Evaluation and Assessment for Compliance
Independent Testing Entity
Internal Control System.
Internal Control Systems Document
Independent Testing Lab Certification Recommendation
Network Security Document
Submissions Requirements to Commission
System Baseline Document
System Documents
System Testing Requirements
Testing Requirements

SECTION 2. OPERATIONAL REQUIREMENTS

Sec. 2.1 General Management Requirements

Business Contingency Plan
Compliance
General Management Requirements
Information to Commission
Software Selection
Totalisator Operations Personnel

Sec. 2.2 Internal Control Systems

American Institute of Certified Public Accounts (AICPA)
Commission's Change Control Process
Internal Control System
Scheduled and Emergency Changes
Statement of Audit Standards 70 (SAS 70)

Sec. 2.2 Internal Control Systems, cont.

Statement on Standards for Attestation Engagements 16 (SSAE 16)
System Operations Manual
Systems Development Lifecycle Manual
Unauthorized Software Changes

Sec. 2.3 Personnel Requirements

General Requirements-Personnel
List of Totalisator Personnel
Network Manager
Personnel Requirements
Prohibition From Wagering
Software Specialist
Systems Analyst
Technician
Totalisator Operator
Training

Sec. 2.4 Waivers for Technological Advancement or Off-site Processing

Off-Site Processing
Technological Advancement
Waiver for Off-Site Processing
Waiver for Technological Advancement

Sec. 2.5 Totalisator Network

Common Pool Totals
Common Pooling
Device-to-Tote Network
Firewall
Help Desk
Inter-systems Communications
Inter-Tote Systems Protocol
Live and Scratched Race Animals
Network Security Document
Odds and Probable Payout
Official Orders of Finish
Payout Calculations
Pools Offered
Standardized Track codes
Stop Wagering Commands
Totalisator Network
Tote-to-Tote Network

Sec. 2.6 Data Transmission Protocols

Approval for information exchange
Baseline Envelope
Data Transmission Protocols

Sec. 2.6 Data Transmission Protocols, cont.

Device-to-Tote Network
Remote Site
Tote-to-Tote Network

Sec. 2.7 System Resilience & Integrity

Business Continuity
Communication to Devices outside a Wagering System Baseline Envelope
Communications between Separate Wagering System Baseline Envelopes
Communications within a Wagering System Baseline Envelope
Connection of External Devices to Networks inside a Wagering System Baseline Envelope
Disaster Recovery
Emergency Procedures
Firewall
Internet Connections
System Backup
System Resilience & Integrity

SECTION 3. REPORTING, MONITORING & DATA RETENTION

Sec. 3.1 General Requirements

365 days
48 hours
Baseline Envelope
General Requirements-Reporting & Monitoring
Monitoring
Network monitoring systems
Reporting
Retention Period
Wagering Reports

Sec. 3.2 Pre-Wagering Reports

Configuration Parameter Report
Odds Report
Race Information Report
System Initialization Report
Teller/Cash Terminal Report

Sec. 3.3 Race-by-Race Reports

Bet Report
Calculating Price Report
Daily Summary Report
Probable Payout Report

Sec. 3.3 Race-by-Race Reports, cont.

Race Summary Report

Sec. 3.4 End-of Day Reports

IRS Report
Money Room Report
System Balance Report
Wagering Device Balance Report
Wagering Summary Report

Sec. 3.5 Ad Hoc Reports

Account Activity Report
Cancelled Tickets Report
Exchange Rate Report
Manually Cashed Tickets Report
Network Balance Report
Odds Progression Report
Outstanding Ticket Report
Outstanding Tickets Cashed Report
Scan Report
Stop Payment Report
Ticket and Transaction History Report
Wagering Device Report

Sec. 3.6 Special Reports

72 hours
Report Headings

Sec. 3.7 Logs

Account Activity Log
Off-line Log
On-line Logs
System Error Log
System Journal Log
Teller/Wagering Machine History Log
Ticket History Log
User Terminal Log

Sec. 3.8 Wagering Monitoring System

Real-Time Monitoring
